## Captain's Welcome Aboard Party & Champagne Waterfall

Meet Captain Vincenzo Lembo and his senior officers.  
Enjoy complimentary champagne, mimosas and orange juice.  
Captain's speech will be at approximately 6:45pm

## Toilet and vacuum system

The "EVAC" toilets that use the vacuum pump principle are different from those on land. This system is very reliable, but the pipe work is much smaller than those ashore and it is sensitive to objects such as

- All foreign objects other than human waste and toilet paper.
- Sanitary wipes
- Hand paper towel and facial tissue
- Large amounts of toilet paper.

In order to avoid blockages and subsequent inconvenience to guests, please place any foreign objects in the waste bin and sanitary bags provided. In case of malfunctions, please avoid pressing the flush button repeatedly and report the defect to Guest Services via the CrewCallChat or extension 6000
